

Sept 81 )

GEORGIA TRIUMPH ASSOCIATION  
SEPTEMBER NEWSLETTER

All right, gang, it's time for the September titilating Triumph thing. This month our trip will be to non other than (bugles, please) that wonder of wonders—Lake Lanier.

We will meet at Tim Timmer's (remember him from TV land?) Chevrolet on I-85 North at the Beaver Run, Lilburn exit at 10:00 a.m. on Sunday, September, 27th. Bring your picnic baskets, swim gear, flying cowchips, screw drivers, pliers, and tow chains, and join us for a day of fun, sun, and a little business.

In October we're planning on going some where in the wonderful and picturesque Noth Geogia (r's omitted for southern drawl) mountains to take in the sights and sounds of nature with a little peace and quiet (until the Triumphs get there). Help us out with some ideas for a pretty place with a drive that will not be to hard on the old girls.

We are also in the process of printing up the business cards. Talk about snazz! They sould be ready by the next meeting. Membership cards are also going to be issued as soon as they are ready. These will be good for discounts at Atlanta Imports on Burford Highway, Williams Imported Parts on State 85 in Riverdale, and we are trying to work something out with, believe it or not, R&R junk yard on Buford Highway in Norcross. We'll discuss it all more at the meeting.

Check out the map below of where we'll be Sunday if you miss us at Tim's place, and see ya there!

Ya'll Come, Ya Here!
