*****SPECIAL EDITION OF THE TRUMPET NEWSLETTER*****

This month's newsletter of the Georgia Triumph Association will be an abbreviated edition for this month only. Your usual fun packed edition will be back again in October. Make plans for the party at Dennis Riley's house on September 28th. More details follow in the meeting notice below.

NOTE - SEPTEMBER MEETING CHANGE

The September Meeting has been changed AGAIN! Larry Chandler's house will not be ready in time for the meeting, so this month's meeting will be held at Dennis Riley's house in Roswell. (See Map Below). The meeting will be strictly a social event, beginning at 4 P.M on Saturday September, 28th. There will be Pizza and Beer at 5:30 and films of the last Regional Event, the 4th of July Parade, and the 1950's British Leyland factory racing events running on T.V. throughout the afternoon. Bring the car, bring the spouse, special friend, or someone you like. The affair is for the adults, so make arrangements for baby sitters on this afternoon. Even members from Columbus are planning to attend, so certainly you members in the Atlanta area can make it. See you there !

Hodge Podge - There will be a display of the GTA jackets, sweaters, t-shirts and hats with the new GTA emblems at the party. Come on over and see our new items to show off our club colors.

Don't forget your reservations for the weekend of our 1985 Regional Event in Gainesville on November 1-3, 1985. Call Steve McMath if you need more information

The Asheville trip in August was very eventful. The story will appear next month. We had a Hard Core winner who had to do some work on the car on the side of I-85 on the way home. More on that next month.

There will be a tech tip on the TR2-3A Control Head next month. Don't start any work on yours until you read the tech tip.
